

## **STONEDHIGH – „Shluk“ / „Damage Done“ (ST12003)**

DJ Touchwood presents „splendid handstand“ his third release on The Stoika Label. Under his alias, **STONEDHIGH**, Touchwood displays two unique drum & bass variations all his own.

**Shluk** starts off with shaking drums as the rhythm slowly builds. A sonic buzzing warns that a melodic present will be unwrapped soon. This stomping piece is full of inventive sounds and an immaculately produced pulsing bass line. All the elements wander their individual ways before culminating together again before a massive drop.

The B-side is bit lighter, but still a straightforward piece whose gradual opening reveals a variety of melodic motives and unexpected sonic treats. **Damage Done** has a forbidding title, but is also a cool and a usefull track.
